Benefits of MNJ's Six.One License Management Module

-  **License Agility**
Change up your license counts without having to wait on vendor quotes or license provisioning.
-  **Right-Sized Licensing**
With license usage visibility, subscriptions no longer go unused. Customers avoid over-provisioning and make additions without issue.
-  **Self-Serve Shopping**
The Six.One License Management Module includes a marketplace of Microsoft subscriptions. Authorized users can add new subscriptions as required.
-  **Fewer Management Tools**
The Six.One module can be used to manage and provision other Six.One solutions such as Six.One DaaS (Desktop as a Service) and the Six.One E-Signature module.
-  **Better Support**
MNJ's experienced support team will resolve issues without escalation 80%+ of the time.
