## **MNJ Named to CRN® Solution Provider 500 List for 10th Consecutive Year**

*Leading Technology and Digital Transformation Provider Recognized for Performance, Success with 2021 Honor; Continues to Advance in Rank on List*

**BUFFALO GROVE, IL - (June 2021) - [MNJ Technologies](#)**, a midmarket-focused IT solutions and Digital Transformation Provider, has announced today that it has been honored on the 2021 CRN Solution Provider (SP) 500 list. The annual list is recognized as the industry standard for identifying the highest-performing technology integrators, strategic service providers and IT consultants in North America. MNJ ranked in the top 200 of the 2021 list at #128, the tenth consecutive year the company has been included for the prestigious honor.

“The *CRN SP 500 List* is a gold standard in the industry MNJ serves,” said Susan Kozak, MNJ Co-Founder and CEO. “We’re thrilled that we’ve continued to advance our ranking with CRN over the last decade. It’s a testament to our company and team’s commitment to providing excellence.”

MNJ is a women-led company founded in 2002 by Susan and Paul Kozak. The company provides a powerful range of IT solutions, services and systems to hundreds of companies across a broad range of industries and categories in the United States, including networking, security, cloud services, and more. The company has seen consistent growth and success year over year and has received multiple honors, awards and other accolades in addition to inclusion on the 2021 CRN SP 500 List this year.

“CRN’s Solution Provider 500 list is a valuable resource for technology vendors looking to partner with today’s best-of-breed IT solution providers,” said Blaine Raddon, CEO of The Channel Company. “On behalf of The Channel Company, I’d like to congratulate MNJ for its incredible contribution to the growth and success of the IT channel.”

The complete 2021 Solution Provider 500 list is available online at [www.CRN.com/SP500](http://www.CRN.com/SP500). A sample from the list will also be featured in the June 2021 issue of CRN Magazine.
