

Make each **SOLD** sign even sweeter with secure and streamlined operations from MNJ.

MNJ's trusted network of professional experts provides immersive solutions to ensure seamless and secure experiences for all Real Estate innovation.

Innovate, Collaborate, Protect

We elevate our customers by providing tomorrow's technologies with expertise and excellence. Let us optimize your current environment with our solutions:

- Network & Security (Firewalls & VPNs)
- Multi-Factor Authentication (MFA)
- Regular Software Updates
- Secure Document Sharing
- Antivirus & Firewall
- Data Backup & Recovery
- Employee Training
- Access Control
- VOIP & UCaaS

Real Estate is hard enough

between keeping up with investments, endless tasks, and operations all while aiming for strategic expansion. Let MNJ guide you in accessing the best solutions that align with your unique business objectives. Unleash your team's bandwidth and eliminate admin hours to focus on more pivotal projects and secure more sales.

Security in the Real Estate sector is a growing concern, especially with increasing reliance on digital technologies.

COMMON CHALLENGES:

"My compliance & data breaches have gaps. I am having trouble identifying the initial access points and lock downs."

"Regulatory compliance stumps me."

"While using multiple communication platforms for messaging, meetings, and video walk-throughs, how do I streamline and ensure security?"

"I'm dealing with device management and access issues."

"The wrong users often gain unauthorized access to sensitive data that can be detrimental to our business."

How MNJ Supports Real Estate

✓ Cost Savings

Reduce staffing, training, and infrastructure costs and time by outsourcing important IT tasks to our professional experts.

✓ Expertise

We provide access to specialized skills and knowledge not available in-house.

✓ Focus on Core Business

Earn valuable time back by eliminating the need to manage an IT team and give vital projects the attention they deserve.

Professional Services

Subject matter experts and engineers are dedicated to unraveling the complexity for you. We can provide in-depth assessments and custom roadmaps to meet your goals.

Managed Services & IT Support

Our fully or partially managed services allow you to regain control, time, and freedom to focus on big-picture priorities and drive consistent positive business outcomes.

Adoption Services

We provide a secure end-to-end strategy, accelerating your digital teamwork and modernizing end users via planning, devices, deployment, and managed services.
